

PROJECT BOUNDARY MAP

A map shall be submitted with each application that specifically delineates the proposed boundary of grant involvement at a recreation site(s).

The map shall identify the following items:

1. North arrow, scale, project title, and date prepared.
2. Areas under lease and term remaining on lease(s). Please note areas on map.
3. Known outstanding rights and interests in the project area held by others (easements, water rights, subsurface mineral rights, etc.).
4. The boundary of the project area delineated must be legally sufficient to identify the project area afforded conversion protection. Examples of legally sufficient boundary identification include deed reference, dedicated rights-of-way, water bodies, surveys, or measurements from permanent locator points at the site.
5. Map size: 8 1/2 x 11 (Preferred). No larger than 20" x 25".
